IDEA legends

The international student

Proactive

Mobilizable

Passive

Integrate all international students

Services we recommend (1)

1. Culture Introduction (1. Step)

- First step into integration of the local culture and language
- Very low level way of getting onto the same basis
- Everyone has to participate

Services we recommend (2)

2. Buddy system (2. Step)

- People that are motivated and interested by the culture introduction get assigned a buddy
- Buddies can help the students with problems in everyday life like
 - Housing
 - Internships
 - Homesickness
 - etc.

Services we recommend (3)

3. International board

- Manages everything concerning internationals
- Involves internationals in the organisation of events etc.
- Integrates them in the student councils and gives them a voice
- Can't consist of internationals only, 50/50 split is favourable so transfer of knowledge and local knowledge is given.

Services we recommend (4)

- **3 Tier system**
